

BULGARIAN T-CLASS FEDERATION

T-CLASS TACTICAL SNIPER COMPETITION

25-26.06.2016

SLIVNICA, BULGARIA

MODULE 1, EXERCISE #1

Distance: 102 meters

Ammo: Minimum 2 rounds, maximum 5 rounds

Shooting position: Prone, no limitations

Target: T-Class Exercises #1 (Four circles with different diameter – 10, 20, 30 and 40 mm)

Start/Stop signal: Horn

Description: The shooter is standing one meter behind the rifle. The magazine is filled and fitted, the action is open. After the Start signal, the shooter assumes prone position, loads the rifle and fires towards those targets, which he would certainly hit. It is required that the shooter must repeat the hit on the last diameter target, reached by his decision. If there is a hit outside the diameter of any target, or if there is no repetition of the minimal diameter target reached, the scoring of the exercise is zeroed.

Time for execution: 1 minute (60 seconds)

Scoring: According to the T-Class Set of Rules

MODULE 1, EXERCISE #2

Distance: 102 meters

Ammo: 3 rounds

Shooting position: Prone without any rear support

Target: Three shotgun shells facing with the brass head towards the shooter

Start/Stop signal: Horn

Description: The shooter is prone alongside his rifle, both hands stretched sideways with palms touching the ground and 1 meter apart. The magazine is filled and fitted, the action is open. After the Start signal, the rifle is loaded and the targets are fired upon.

Time for execution: 20 seconds

Scoring: According to the T-Class Set of Rules

MODULE 1, EXERCISE #3

Distance: 70 meters

Ammo: 2 rounds

Shooting position: Sitting, all support is allowed - bags, slings, etc.

Target: Two cans of Coca Cola

Start/Stop signal: Horn

Description: The shooter is sitting, the magazine is filled and fitted, the action is open. After the Start signal, the shooter loads the rifle and fires one shot at each target.

Time for execution: 45 seconds

Scoring: According to the T-Class Set of Rules

MODULE 1, EXERCISE #4

Distance: 40 meters

Ammo: 2 rounds

Shooting position: Kneeling, all support is allowed - bags, slings, etc.

Target: T-Class Exercises #2

Start/Stop signal: Horn

Description: The shooter assumes such a position that at least one of his knees is touching the ground. The magazine is filled and fitted, the action is open. After the Start signal, the shooter loads the rifle and fires two shots at the target.

Time for execution: 40 seconds

Scoring: According to the T-Class Set of Rules
